Support and friendship for families

Would you like to take part in the Northampton Half Marathon or Northampton Size 6 and help raise funds for a local family support charity at the same time? You do? That's fantastic! Please read on...

Home-Start Northampton have a number of places available for free, all we ask is that you pledge to raise sponsorship of at least £100 for the half marathon or £75 for the Size 6 race. This money will go towards making sure that we are able to continue providing much needed support to local families.

Home-Start Northampton is a voluntary organisation committed to promoting the welfare of families with young children and living in the Borough of Northampton. Carefully selected and prepared volunteers offer regular support, friendship and practical help in the families' own homes, helping to prevent family crisis and breakdown. We are funded solely by voluntary donations and fundraising so every penny counts!

You will be running alongside Kerrie, one of our co-ordinators, and we promise that the rest of the Home-Start team will be there on the day too, to cheer you on and to welcome you across the finish line with refreshments, treats and a goody bag.
